

HB 885 -- AUTOCYCLES

SPONSOR: Sommer

This bill specifies that "autocycle" means a three-wheeled motorcycle on which drivers and passengers ride in a completely enclosed, tandem seating area that is equipped with specified safety equipment and that is designed to be controlled with a steering wheel and pedals. A person operating or riding in an autocycle must not be required to wear protective headgear if the vehicle is equipped with a roof that meets or exceeds the standards established for headgear. A person cannot operate an autocycle on any highway or street unless he or she has a valid driver's license but cannot be required to obtain a motorcycle or motortricycle license or endorsement.
